

Who We Are?

STAM Interactive Solutions is a leading provider of online learning solutions. With offices in multiple locations of USA and world class ISO certified Advanced Development Center in India, STAM leverages the proven offshore delivery framework to provide cost effective solutions to global clients. Our deep domain expertise and strong technical know how help our clients realize the best benefits of online learning programs.

I want to thank the entire STAM team for the fantastic job they did on the Avaya product courses. Thank you so much for your strong commitment to delivering quality and extremely user friendly web based training.

Jack Thompson,
Training Manager,
AVAYA
